On August 30, 2010, the Director of the Washington State Gambling Commission issued Notice of Administrative Charges and Opportunity for an Adjudicative Proceeding (Notice of Administrative Charges) against Happy Days Casino and Restaurant, organization number 00-21837, for the suspension or revocation of its license to conduct gambling activities. The charges were issued due to the licensee's failure to submit its 2009 financial statements.

Following the issuance of the Notice of Administrative Charges, Commission staff further reviewed this case and determined that the licensee did not have an active license when the Notice of Administrative Charges was issued. Therefore, the Notice of Administrative Charges against Happy Days Casino and Restaurant should be withdrawn.

Therefore, the Director withdraws the Commission's Notice of Administrative Charges issued against Happy Days Casino and Restaurant.

Dated this 19th day of October, 2010.
